Nebraska Cancer Coalition (NC2) is a statewide partnership of 350 individuals representing 200 public and private organizations. Our partners work together to prevent and control cancer and its economic and psychosocial effects on our families, friends and communities. NC2 works toward implementing the goals and objectives outlined in the Nebraska State Cancer Plan.

This campaign is supported by the Cooperative Agreement Number 5U58DP003928-02 from The Centers for Disease Control and Prevention. Its contents are solely the responsibility of the creators and do not necessarily represent the official views of the Centers of Disease Control and Prevention.
